Dear Miss Cammann:

I wish to acknowledge the receipt of the decorations and Veteran association badges together with the button found years ago in an old garden in New Jersey. We were very glad to get these and found only two duplicates, and an official acknowledgement will come from our President.

Very truly yours,

Dear Mrs. Cammann:

We have just received from Miss Isabel Mali Cammann various decorations you spoke about the other day. We were glad to get these and out of the number only two did we have. I have written to her and I wish to thank you very much for suggesting our museum for their final resting place.

Very truly yours,

Dear Miss Cammann:

Mrs. Cammann spoke to me yesterday about a seal that you had of the State of New York of 1777. We would be very pleased to have this as we have no old seals of the City of New York, though we have several of the State of New York. We occasionally have inquiries concerning the New York City seals. One person within a few weeks asked us what we had.

Very truly yours,

I have a seal of the  
City of New York 1777.  
with a very small piece  
of the document attached.  
I cannot find the rest.  
I don't know whether they  
would care for it. They  
probably have many of them,  
if seals are included in

Heur Collection. If they  
would Care for it, I could  
send it to you or to them  
Direct whichever you prefer.

As ever
